PROFESSIONAL SUMMARY

Full Stack Developer with strong expertise in **React.js**, **Next.js**, **Firebase**, and **AI integration**. Passionate about solving **real-world problems** and building responsive, user-centric applications. Proven track record of winning national-level hackathons and publishing academic research. Eager to contribute to innovative development teams with a focus on scalable, modern solutions.

SKILLS

Programming Languages: C, Python, JavaScript, Java (Basic), PHP

Frontend - HTML5, CSS3, React.js, Next.js, Tailwind CSS

Backend: PHP, Firebase, Python Gemini AI APIs

Databases: MySQL, MongoDB, PostgreSQL, Firebase

Other: Git, GitHub, BitBucket VS Code, Vercel, Render, Kaggle, Ollama, Slack

Currently Learning: AWS services, Docker

Experience

Full Stack Web Development Intern – Electrosoft System, Pune

July 2025 – Ongoing

- Developed responsive webpages using **React.js**, **Tailwind CSS**, and **JavaScript**, **Nodejs**, **ExpressJs**, **Postgresql** and **Render**.
 - Collaborated with backend engineers to integrate REST APIs.
 - Helped improve UI usability and page load performance by 20%.
 - Fixed layout bugs and improved cross-browser compatibility.
 - Project work on: [Premium Engineering Project Solutions](#), [Create High Level Portfolio](#)
-

PROBLEMS/PROJECTS

PeriodCareForYou – AI-Powered Menstrual Health Platform ([Click Here](#))

Nov 2025 – Ongoing

- Designed and developed an AI-driven menstrual health platform using **Next.js**, **React**, **ollama**, **Gemini**, **LLM**, providing personalized guidance, symptom analysis, and education for women in three languages (Hindi, Marathi, English).
- Built modules for **cycle tracking**, **symptom prediction**, **medical guidance**, **myth-busting education**, and **partner support**, improving menstrual awareness and accessibility for young users. **Chabot** with all languages.
- Created a customizable and scalable frontend with a clean UI/UX, boosting engagement and helping users receive accurate, non-judgmental period support from home.

Avsarmarg - Your Journey from Campus to Company ([Click Here](#))

March 2025 - Ongoing

- Developed an AI-powered career coaching platform integrating concepts like Ikigai and Indian learning methods to offer personalized career paths, interactive learning, resume analysis, and interview preparation tools.
- Enhanced employability by streamlining skill development, gamified learning, job readiness, and recruitment processes for students, colleges, and companies through a unified job/hiring portal.

Modern College Website Using AI (Next.js, AI Integration, Tailwind CSS, Firebase)

Jan 2025 - May 2025

- Built an AI-integrated college website using Next.js and Firebase, enhancing user engagement and streamlining academic.
- Designed a scalable web solution that connects academic learning with career readiness, skill development and preparation.
- Published a paper on Development of “Modern College Website” in Hinweis Research, focusing on innovative design and responsive development techniques to create a user-centric platform for academic institutions.

EDUCATION

B. Tech in Computer Engineering

Government college of engineering Yavatmal (CGPA 8.84)

2022-2025

Diploma in Computer Science & Engineering

Gramin Technical and Management Campus Nanded (with Percentage 82.17)

2019-2022

ACHIEVEMENTS

- Winner Hackathon – Codesphere (Jalgaon), Hacksphere (Nagpur), Brahmax 1.0(Jabalpur), Prabal (Kolhapur), ...
- Winner Project/Startup Expo – Technovation (SSGMCE), Innovanza'25 (Nagpur), Ennovate's25 (Nagpur), Build Solo (SSGMCE), ...
- 9× Project Expo Winner, 5× Hackathon Champion for more [CLICK HERE](#)

Leadership Excellence

- I proudly lead Team GCOEY— the premier team representing Government College of Engineering, Yavatmal. Our mission is to cultivate algorithmic thinking and foster innovation through collaborative problem-solving.
- Our flagship photos, C-Rush 1.0, 2.0 & 3.0, has become a cornerstone for nurturing young talent and building a thriving culture of competitive programming on campus for more [CLICK HERE](#)
